

Report to Annual Parish Meeting

Fuel Allotment Charity

The Fuel Allotment Trust owns Town Farm with its land and two separate parcels of land off Dereham Road and off Saham Road; from which we receive rents. This year we have been unable to make any grants to needy people in our village as all income has been used while attempting to resolve a legal challenge regarding the terms of the lease at Town Farm.

This is not what the Trustees signed up to do, but the charity commission rules are clear and the matter must be resolved properly. Unfortunately the seriously underfunded court tribunal system is hopelessly behind and we have been subject to delay after delay. This may take some time yet.

Lyndia Lewis Hon. Secretary
