

OVINGTON BOWLS CLUB

The Ovington indoor carpet bowls club is operating successfully, but like so many organisations these days would welcome more members to boost weekly attendance.

We play mainly for fun and a bit of spirited but friendly competition between the teams. (Chosen at random prior to the game starting)
Being an Ovington based organisation we always provide a variety of refreshments at our half-time break, a process which quite often changes, for the better, the scores of the team previously trailing behind.

We have over the past year lost several members through illness, age, or other health related problems, so are always looking for replacement numbers, with a similar light hearted approach, to join our merry throng on a Monday afternoon,

The first sessions are completely free, just to give a taste of the light hearted way of playing, instruction is also provided to give a newcomer an idea of what, or not, to do when hurling the bowls along the mat.

All equipment is provided (inc. cake) so all you need to do is turn up on a Monday afternoon at 1.30pm and join the world famous Ovington Bowls Club.

Thank you

Grace.
